

LITANY FOR THOSE IN CONSECRATED LIFE

Please respond: Loving Lord, bless those in Consecrated Life.

For those spreading the good news of the gospel through joyful witness.....

We ask the people of our parish to support and celebrate those in dedicated service.....

We pray that a new generation will find the courage to consecrate their lives to God.....

May young people take the time to discern where God is calling them.....

May the church celebrate the good work and joyful witness of those in consecrated life.....

Let us pray for sisters, brothers, priests and nuns who have chosen to consecrate their lives to God.....

May parents and teachers invite people to help secure the future of religious life.....

May God continue to bless and strengthen the commitment of those in consecrated life.....

That men and women in consecrated life renew the gift of their vocation.....

Let us celebrate the gifts of faith, hope and love that the consecrated give witness to.....

Open the hearts of young people to great ideals and to great things.....

Give us grace to invite others to embrace the bold and noble path to consecrated life.....

May the church support and encourage religious vocations that have been a true gift to all God's people.....

Let us invite others to consider this joyful form of discipleship.....

May men and women in consecrated life know of our gratitude for their dedicated service.....
